If you hear the fire alarm at any time, please evacuate to the front or the rear of the building.

We hope we will be able to make a significant difference to the way you use English in your job or in your studies. Our aim is to help you to gain confidence in your ability which, with lots of practice, will quickly translate into better performance.

During your course your tutors and group teachers will evaluate your ability in English in the following areas: Listening, Reading, Writing, Spoken Interaction and Spoken Production.

At the end of your course you will receive a report which follows the Common European Framework. We will indicate your level in each of the skills above according to the 6 levels of ability described below:

Medical Care

- If you are sick then please phone the school to let them know. They can arrange for you to see a doctor or a dentist if required.
- Visitors from the European Economic Area (EEA) or Switzerland are entitled to free medical treatment on the National Health Service (NHS) on a similar basis to an ordinarily resident person, provided that you are able to provide your European Health Insurance Card (EHIC). Please note, you will still need to pay for some services including prescriptions, dental treatment and eye tests, which are subsidised by the NHS.
- If you have paid an Immigration Health Surcharge as part of your visa application, you will be entitled to medical and dental treatment in the UK on a similar basis to an ordinarily resident person for the duration of your visa.
- If you are visiting England from a non-EEA country, even if you are a former UK resident, you need to ensure you are covered for healthcare through personal medical or travel insurance for the duration of your visit.
- NHS trusts have a legal obligation to identify and charge those people not entitled to free NHS treatment. If you need NHS treatment and you have not arranged insurance, you will be charged at 150% of the standard NHS rate, unless an exemption category applies to either you or the treatment. You will need to pay in advance the full estimated cost if the treatment you need is non-urgent, otherwise the treatment will not be provided. If you are a non-EEA national and you fail to pay for NHS treatment when a charge applies, any future immigration application you make may be denied.
- Some medical treatment is available to all free of charge, including Accident & Emergency services, treatment of infectious diseases and treatment of conditions caused by torture, female genital mutilation (FGM), domestic violence or sexual violence.

Registering with the police

Some students need to register with the police after arriving in the UK with a visa, or after getting permission to stay for longer in the UK. If you need to register, you must go to the police station within 7 days of you:

- arriving in the UK if you applied for a visa from outside the UK
- getting your biometric residence permit if you applied to stay for longer from inside the UK

The police will give you a registration certificate which you will need to keep for the duration of your visa.

The police station is located on St Aldates, a 30-minute walk from the school. Please ask for directions at the office if you need them.

Who needs to register?

You can check whether you need to register with the police by:

- checking your visa 'vignette' (sticker in your passport). You must register if it has 'Police registration' or 'Register with police in 7 days of entry' on it.
- checking the letter you get from the Home Office when your application's approved. It will tell you if you must register.

For more information, check the following government website:

<https://www.gov.uk/register-with-the-police/who-needs-to-register>

If you do not register, your permission to stay might be shortened and you'll have to leave the UK. You can also be stopped from getting or extending a UK visa in future.

Buying a bus ticket

The easiest way to travel around Oxford is by bus. There are two main bus companies in Oxford: Stagecoach and the Oxford Bus Company. Travel passes for just 1 week for one company can be bought from the bus driver but if you are staying longer, you will need to buy a bus pass. It is more convenient to buy the pass for both companies, called the 'SmartZone' pass. These can be bought from the Gloucester Green Travel Shop (89 Gloucester Green, OX1 2BU). Bus timetables can be found on these websites:

www.oxfordbus.co.uk

www.stagecoach.co.uk

Mobile tickets are also accepted on buses, you can purchase these tickets on either the Stagecoach app or the Oxford Bus Company app:
