

Accommodation in Heidelberg

OISE Heidelberg has an accommodation officer dedicated to finding high quality accommodation for all course participants. Options include:

- Welcoming and communicative host families – single room with half board for adults and full board for young learners. Special host families for executives / business clients with separate bathroom.
- Three to five star hotels with a choice of bed and breakfast, half or full board

Host families

Each host family is selected and monitored according to strict criteria laid down by OISE: The accommodation must be comfortable, the hosts welcoming and genuinely interested in receiving students and helping them to develop fluency in German.

Potential host families are interviewed by a trained accommodation officer and their homes inspected. All information about the host family such as special diets, domestic animals, interests etc. will be managed in a special list. As guidance they receive an OISE host family brochure.

Regular visits to families together with a careful analysis of students' comments ensure that the high standards demanded by OISE are being maintained.

Some of our students wish to enjoy the comfortable atmosphere of a hotel. Therefore we recommend the following three to five star hotels with a choice of bed and breakfast, half board or full board close to school.
