

## OISE Heidelberg

### Social programme for scholars

OISE Heidelberg offers interesting educational activities outside the classroom. The school organises one-two leisure activity per week after class and an excursion on Saturday.

**Sample activities are:**

Heidelberg and surroundings: Students explore the surroundings of Heidelberg and learn about important sights of the town like the castle or the *Philosophenweg*.

Sports activities and swimming: Students enjoy sports activities outdoors and have time to get to know each other.

Other leisure activities: There is a variety of other entertaining leisure activities, for example mini-golf, bowling or billiard or going out together in the evening to enjoy a meal.

**Excursion to cities and other places of interest are organized on Saturday, for example:**

Mannheim: a visit of this varied city with its cosmopolitan flair and forward-looking outlook.

Speyer: one of the oldest city of Germany with its imperial cathedral (UnescoWorld Heritage Site), where students enjoy the small streets of the old town and other tourist attractions.

Sinsheim: the Car & Technology Museum in Sinsheim offers breath-taking vehicles from the last century. The most interesting part is a walk through the Concorde.
